

Ohio Foundation Quarter Horse Association – Monthly Member Meeting

SAFETY PROTOCOLS

2020

Guidelines

- No spectators will be allowed. Exhibitors and immediate family only.
- Public areas, barns will be cleaned and sanitized prior to and during the show day.
- Public restrooms will to be cleaned prior to and during the show, stocked with soap and sanitizers
- Entry forms will be made available prior to the show. Exhibitors should print and fill out the form prior to the show if possible. Exhibitor should use their own pen or pencil.
- Payment for entries should be via check if possible. Cash will still be accepted when necessary.
- No gathering in large groups (max of 10 people).
- Patterns, draw orders, placings and score sheets will be posted outside the office. No unnecessary entry into or around the show office.
- Hand washing and sanitizing stations need to be readily available to all exhibitors and show staff.
- Food provider must adhere to the food service guidelines.
- 6-foot markers need to be added for the office and food vendor lines
- Masks may be worn during classes if desired by the exhibitor
- If possible, provide stalling separation.
- Stalls should be cleaned during and after the show by the exhibitor.
- Exhibitors should wipe down their stall handles and fixtures while in use and when their stall is cleaned for departure.
- Horses can be tacked at the owner's trailer; to help minimize equipment and tack in the barn and time spent in the barn.
- Trail exhibitors will be required to sanitize hands prior to entering the trail course.
- We will call for 5 exhibitors at a time to eliminate large gatherings in the infield.
- Gate area will be reserved for the next 5 exhibitors only.
- The indoor arena will be limited to 4 riders at a time. Time limit of 15 minutes per rider
- Minimize hand to hand contact, sharing of pens, radios and judges' materials.
- It is everyone's responsibility to help prevent the spread of the disease. Exhibitors and staff should wash their hands frequently and use good hygiene habits.
- If you have been exposed, experience symptoms or do not feel well PLEASE STAY HOME
